## BASEBALL

Happy July! As I have sat and reflected on what this month really means to me and memories from my childhood! It has always been filled with baseball. Being raised by a long time Yankee fan, I myself followed the boys of summer in pinstripes and yes I was even a fan when they could barely break .500. Or going to Salt Lake Gulls and then Trappers games and the old decks field. This year is a new one for many of us as the Coronavirus has changed many things we usually do! I feel very lucky that we have been able to PLAY BALL! As August comes around the corner and we will see a season of MLB, we also have the opportunity to tune and hone our own skills. We will be having **baseball tryouts AUGUST, 4th, 5th & 6th**. We have been working behind the scenes on a fall program that will be implementing many new things that other programs do not receive. I am so excited for this. We will be sharing more after tryouts. Please tell everyone about the awesomeness that KONGO is. And come join us this fall and continue to next spring/summer!  
**Jason Peterson- Director of Baseball**

## VOLLEYBALL

Hey Volleyballers! What a crazy season this has been and you have all been so wonderful! We've enjoyed the extended practices and camps and hope you've enjoyed them too. This month we want to highlight our U17 team for their efforts in the Salt Lake Championships. They held their own and competed hard against some of the toughest teams in the region. We love them and couldn't be prouder of how they represented KONGO Volleyball. Team members include Morgan Brimhall, Amber Beddes, Rachel Godfrey, Ali Walton, Grace Clark, Addylee Follett, Madelyn Mudrow, Lauryn Arnold and their awesome coach Robyn Shea. Looking forward, please be watching for our 2020-2021 season Volleyball Tryouts. There will be two different tryouts scheduled, one for U12-U14 and another for U15-U18. We would love to invite you all back to participate. Stay tuned! **April Painter- Director of Volleyball operations 15 and older**
